AED 87

average order at our Dubai partner

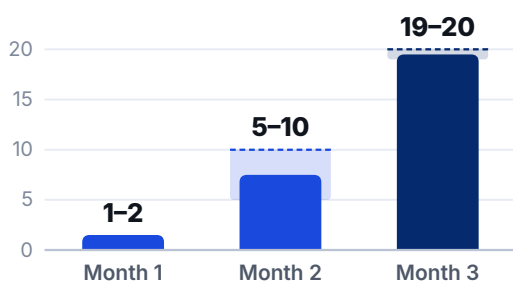

A REAL PARTNER · DUBAI

From 1-2 orders a day to 19-20. In 3 months.

A dry cleaner in Dubai joined LaundryKhalas with 1-2 orders a day. Within 3 months: **19-20 orders a day** — and still a partner. Average order: about **AED 87**.

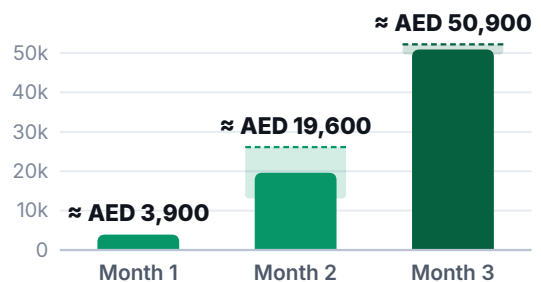

Orders per day, by month

Our real partner in Dubai

Monthly order value (AED)

Approximate, same Dubai partner

Order value = orders a day × AED 87 average order × 30 days. It is the value of the orders the partner handled — **not** profit and not the partner's earnings. Bars show the middle of each range: 1.5, 7.5 and 19.5 orders a day. Shaded = the range (5-10 and 19-20).

HOW IT WORKS

Four simple steps.

1

STEP 1

A customer books with us

The customer books with LaundryKhalas online or on WhatsApp.

2

STEP 2

We send you the order

You get orders from customers in your area.

3

STEP 3

You pick up, clean and deliver

Your driver picks up, you clean, your driver delivers. We have no drivers.

4

STEP 4

We pay you every week

Payment every 7 days for completed orders.

PAYMENT

WHO WE ARE

One group, two brands.

THE GROUP

APXXO is a facility management group. It is the group behind **LaundryKhalas** and **LP Laundry**, and it works through a network of vetted partner facilities. This programme is run by APXXO.

Laundry and dry cleaning, picked up from and delivered to the customer's door.

Customers book online or on WhatsApp. Standard turnaround 24 hours. We have no drivers: our partner facilities do the pickup and delivery.

Serving the GCC and wider regions worldwide.

laundrykhalas.com

Laundry and linen services for businesses and homes.

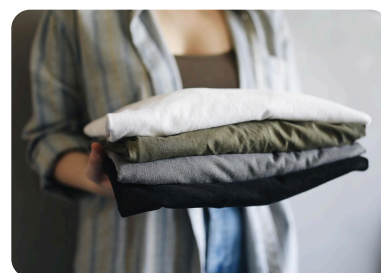

Commercial laundry and linen hire, plus home laundry. Customers order by phone, WhatsApp, email or online.

Serving the GCC and wider regions worldwide.

WHERE WE NEED PARTNERS

Across the GCC: the UAE, Saudi Arabia, Qatar, Kuwait, Bahrain and Oman — see the map on page 3. **You choose the areas that suit you.**

QUESTIONS

Questions partners ask.

? How much can I earn?

It depends on the services you offer, your area and the rates we agree. A real example: a dry cleaner in Dubai went from 1–2 to 19–20 orders a day in 3 months (page 5).

? Do I pay anything to join?

No. Joining is completely free. You just need your own facility, your own vehicle and driver, and a customer support person who coordinates orders between you and us.

? How often am I paid?

Every 7 days, for completed orders.

? How do I receive and manage orders?

We give you two simple apps. The driver app shows every pickup and delivery, with photos of the items and QR code scanning. The facility app shows all your orders, the item-by-item breakdown to process and charge, and your weekly payouts to your bank account.

? Do I keep my own customers?

Yes. Your customers stay yours.

? Can I say no to an order?

You only receive orders inside your own service area — we never send you orders from outside it. If you collect an order and find it cannot be processed, you can cancel it in the app. We show you exactly how during onboarding.

? Who picks up and delivers?

You do, with your own drivers. We have no drivers; we send you the orders.

? Which areas?

Anywhere in the GCC (map on page 3). You choose the areas that suit you in your city.

? How do I start?
